

Care Family Care Benefits

Care family care benefits are here to support you as you're trying to manage it all while caring for those you love, including yourself.

BENEFITS WILL INCLUDE:

Care Membership

Post jobs, search, and reach out to local caregivers 24/7, to find care for children, adults, pets, housekeeping, tutors, and more.

Backup Care

Vetted and subsidized adult care and child care, when your regular care is not available, and reimbursement for child, adult and pet care through your personal network when in-network options are not available.

Personal Network

Personal Network is another option for your Backup Care for children benefit. You can use a caregiver or center of your choice and be easily reimbursed for a portion of the costs that exceed your co-pay.

**Enroll today to access
your family care benefits.**

Frequently Asked Questions

What is Care?

Care is an employee benefit that helps manage your family care needs while balancing work. Enroll today to learn more.

What does my Care.com Membership Include?

Your Care.com Membership gives you unlimited access to the world's largest platform for finding and managing care for children, seniors, pets and the home. Enroll and sign in today to explore detailed caregiver profiles in your area, post a job for caregivers to apply to, access the Care.com Safety Center

What kind of information do I need to provide about my dependents?

If you already have a Care.com account created to find caregivers, we will need to merge the account with your company-sponsored membership. Please email membercare@care.com for support

What kind of information do I need to provide about my dependents?

To ensure your care needs are met, we will ask for the following information during enrollment: name, age, gender, and details on any special needs.

How it Works:

- 1 Log into your account on your company's care.com website and at the top right of the page select your country from the drop down menu.
- 2 You will then be directed to the Care.com website for your country. Select "Sign Up/Log In" and enter information about your care needs. You will need to use your work email to enroll in the benefit.
- 3 Once you enroll, you can search for caregiver profiles that match your needs in your area, post a job, or book Backup Care.
