The Marvell Health Care and Day Care Flexible Spending Account (FSA) and Commuter Benefits will be managed through Navia starting January 2018.

The **Health Care FSA** is a pretax benefit account used to pay for eligible medical, dental and vision care expenses that are not covered by your insurance plan for you, your spouse and your children.

The **Day Care FSA** is a pretax account used to pay for day care services, such as preschool, summer day camp, before and after school programs and child or elder day care.

The **GoNavia Commuter Plan** enables you to pay for work-related public transit expenses with pretax dollars. You can enroll year-round; whenever you need it.

**NEW!** Marvell will match 50% up to **\$70 a month** of your commuter expenses.
